

# WRAP AROUND SERVICES FOR VETERANS

- This program is designed and executed to assist those veterans to secure medical and behavioral treatment for health ailments, mental health problems, addiction and safe and sober housing.
- NJRC seeks to decrease the participation of veterans with the court system and provide them with the necessary support mechanisms through affiliated veterans organizations, hospitals and healthcare providers, and advocacy groups to offer the treatment and tools necessary for grappling with challenges ranging from anxiety, depression, and Post-Traumatic Stress Disorder (PTSD).

- The Veterans Justice Outreach Initiative of NJRC works to provide critically-needed services to those veterans, regardless of discharge status, who are being released from state prison, county jail, or addiction treatment centers.
- Veterans Justice Initiative also works with court-involved veterans who have been engaged with the criminal justice system.

- New Jersey Reentry Corporation (NJRC) serves returning veterans with mental health and addiction services, medical care, health care navigation, case management, legal services, structured sober housing referrals, emergency and transitional housing placements, and employment and training.

- Proven record:

NJRC serves 14,868 program participants at 10 locations throughout northern and central New Jersey
